Their remarkable achievements reflect the strong academic foundation, rigorous preparation, and continuous guidance provided by the school.

Adding further glory to the institution, Khushi, Dhairya Raj, and Yash Kamlesh successfully qualified **JEE Advanced 2026**, one of the most prestigious and challenging engineering entrance examinations in the country. Their success is a testament to their hard work, resilience, and unwavering commitment to excellence. The school takes immense pride in these achievers, whose accomplishments serve as an inspiration for their peers and reinforce Asian World School's commitment to nurturing academic excellence and preparing students for success in competitive examinations and higher education.

The year also witnessed notable higher education achievements as students secured admissions to renowned institutions such as IIT Bombay, Miranda House, Lady Shri Ram College, and Daulat Ram College of the University of Delhi. These accomplishments stand as a testament to the dedication of our students and the unwavering support of our faculty and parents.

The school also achieved commendable results in the CBSE Board Examinations. Students of Classes X and XII displayed exceptional performance, maintaining the tradition of academic excellence and bringing laurels to the institution.

Asian World School actively encourages participation in **National and International Olympiads** and competitive examinations to nurture analytical thinking and problem-solving skills among students. During the session, Navya Agarwal distinguished herself by qualifying the Indian Olympiad Qualifier in Mathematics (IOQM) and the prestigious **Young Thinkers Challenge organized by IIT Bombay**.

Students also excelled in the **Science Olympiad Foundation (SOF)** examinations, securing **Gold Medals of Excellence, Zonal Ranks, and Merit Certificates**. In the **LogiQids Mental Aptitude Olympiad**, several students earned **Top Zonal Ranks, Bronze Medals, and Merit Positions**, showcasing their logical reasoning and intellectual capabilities.

Students of Asian World School proudly represented the institution at the prestigious **Ivy League Model United Nations Conference**. Participation in this global platform enhanced their public speaking abilities, research skills, critical thinking, leadership qualities, and diplomatic acumen. The experience provided valuable exposure to international issues and fostered confidence among the participants.

Sports continue to play a vital role in the holistic development of students at Asian World School. The session witnessed outstanding performances across various sporting disciplines.

In the **69th District Level Skating Championship**, Lakshya of Grade XI won a Gold Medal in the One Lap event and Silver Medals in the 500-metre and 3000-metre events. Bhavesh of Grade IX secured a Gold Medal in the 3000-metre category. The **Girls' Football Team emerged victorious at the 4th K. N. Munsri Memorial Inter-School Sports Tournament 2025**, demonstrating exemplary teamwork and determination. Students also participated with distinction in the

Inter-School Go Kart Grand Prix, showcasing innovation, technical aptitude, and sporting excellence.

The school strongly believes in nurturing creativity and talent beyond academics. Throughout the year, students enthusiastically participated in debates, creative writing competitions, art and craft activities, music and dance performances, Theatre presentations, Literary festivals, Impromptu speech competition, Interhouse Song/Dance Competition, Interhouse Football Competition, Intraclass Heritage quiz, INTER-HOUSE VOLLEYBALL TOURNAMENT , Athletic Meet, Inter-house Coding Competition and various inter-school events. Their achievements in these domains reflect the school's commitment to fostering well-rounded personalities and providing opportunities for holistic growth.

Leadership development remains an integral component of the school's educational philosophy. The Student Council played a significant role in promoting discipline, teamwork, responsibility, and school spirit. Through positions such as Head Boy, Head Girl, House Captains, Vice Captains, and Prefectural Board Members, students were provided opportunities to lead by example and contribute meaningfully to the school community. Various leadership initiatives and training programmes helped students develop confidence, accountability, and decision-making skills.

Student safety and well-being remain paramount at Asian World School. **The school earned the distinction of becoming a Founding Member of the National Council for School Safety (NCSS), reinforcing its commitment to creating a secure learning environment.** Various initiatives, including fire safety drills, disaster management training, cyber safety awareness programmes, child protection workshops, and health and hygiene awareness sessions, were conducted throughout the year to ensure the safety and preparedness of students and staff.

Asian World School continues to nurture not only academic excellence but also the overall well-being and holistic development of our students. Workshops on Good Touch – Bad Touch, counselling, substance abuse and mental health, art and journaling, anti-bullying have helped students develop confidence, resilience, and life skills. Career guidance sessions such as Exploring IIT, IIM, and beyond supported them in planning for their future.

Regular club meetings and inter-house competitions nurture talent and foster healthy competition. Students actively participate in English Debate, Best Out of Waste, Show & Tell, investiture ceremonies, and educational visits. We view education as a journey that shapes minds, hearts, and character. Beyond the classroom, students gain hands-on experiences through industrial visits, educational excursions, and recreational trips. Celebrating special days like World Health Day, Earth Day,

Labour Day, Environment Day, and World Population Day cultivates awareness, empathy, and social responsibility. I sincerely acknowledge the unwavering support of our management and the dedicated efforts of our staff. Through reflection, dialogue, and mutual support, we continue to nurture students into compassionate, confident, and visionary individuals. I am confident that the education, values, and experiences we provide will enable our students not just to step into the world—but to shape it with innovation, integrity, and impact.
